

CIRCLE XX Community Services District

RESOLUTION #2024-2

Be it therefore resolved that the Circle XX Community Services District Board of Directors at the November 21, 2024 meeting, acknowledge Richard Fudala for his 16 years of exemplary service to the district. Since January 2009, when Rich replaced Arlan Elwood as Circle XX Road Manager, he has done an excellent job of working with the Circle XX CSD Board, the residents of the Circle XX, and contractors that have provided services to the Circle XX. He holds the record as the longest serving Circle XX Road Manager. He has spent uncountable hours monitoring the Circle XX roads for problems. He has put up road signs. He has gone out in rain and hot sun to clear ditches, culverts and fallen trees. He has spent many hours filling pot holes. He has sprayed the road side grass to reduce the risk of fires. He has done a fine job of obtaining bids to repair and maintain the Circle XX roads and then supervised the completion of the Board approved work. Although he is formally retiring from being the Road Manager, we are looking forward to still have Rich work with us as a volunteer to help the Circle XX CSD. It has been a pleasure to work with Rich.

Thank you for your service.
